## Ulnes Walton Bridleways Association Spring Ride

### The St Patrick's Day

### 'Wear Anything Green Ride'

Dear

Thank you for your entry to our Spring Ride. Your number(s) is/are \_\_\_\_\_ and your start time is any time between 9.00 and 10am. If you have any problems or queries en route or on the ride, please phone the emergency contact numbers **07876 647578** or **07734385108**.

The theme this year is St Patrick's Day and 'Wear Anything Green' (this can include green Onesies as we know you all like wearing them!!!). As usual, there will be a prize for '**Best Greenie**'. If you are dressing up for this please do not over do it!! Also make sure your horse isn't scared of you! It is perfectly acceptable just to arrive '**in the green**' if you wish – you don't have to ride in it! – We would like everyone to enter the 'spirit' of the event and have a laugh but just be careful! **A couple of points to help you enjoy your day:**

 Please **do not arrive** at the venue before **8.30 am**, as you will be unable to enter the gates. There are toilets and water facilities at the venue. Please **clean up** after your horse including any dropped hay and haylage etc

 We are providing refreshments for competitors but if you wish to make a small donation towards our fundsties in the collection box provided, it will be appreciated. Some food will be available for purchase by non-competitors.

 Also remember we have permission to use **parts of the route** for this day only. These are **not public bridleways**, so please be courteous to other users, and smile at the locals – we want to keep them on our side!!!! **DO NOT GO ON THE GRASS IN ANY PARKLAND AREA.**

 You will be using a new path which we installed around the rugby pitches at Moss Side. Stay on the path- **DO NOT GO ON THE GRASS**, and be cautious on approach as rugby games will be in progress. There will be a steward there to assist if necessary.

 As usual there may be some **BANGS!!** near the river bank i.e. shot gun noise!! Sorry we can't do anything about this. Strictly no crewing in Bretherton. Take care on Ridley Lane and the track at the back of the prison as the surface can be **slippery**, you can see where you need to slow down **ALSO PLEASE** take care crossing all roads as some of these are quite busy.

 Also be particularly cautious on the Riverbank; whilst it is lovely to canter along here, please think about the other riders and horses, **and don't gallop past anyone**, – it will be too cold to take a dip (and it's deep)!!!! **BUT** also if you are nervous of the bank and are walking, please do let other riders pass you as queues and horse traffic jams can be equally dangerous. If you are nervous let the steward know and they can point out a bypass!

Please remember it is safe as well as **courteous to ask for permission to pass anyone anywhere!**

 Remember the **new riding hat regulations** are in operation and the British Horse Society (who's insurance covers this ride) stated the following:- **A hat which is manufactured to EN1384 only is no longer accepted.** The new standards will be on display at the secretary's desk if you are not sure what applies - so check yours out!!!

Finally we really do hope you have a lovely ride and once again thank you for your support.  
Have fun and take care!!!!!!
